

AGP-6000

Series

Exit Station

From left to right:
AGP-6010
AGP-6050

The AGP-6000 Series Exit Station is designed for multiple uses, typically at the unattended exits of a parking facility. The AGP-6010 Series Exit Station accepts paid parking ticket, confirms the patron has paid and exited within the programmed lag-time. The AGP-6050 Series adds credit card / mag-stripe access card functionality for ticket in/credit card out, and credit card in/credit card out when used with an AGP-2050 series Entry Station and on-line credit card host software.

Exit Station
